YMCA & Tom Mathis Sr. Council, PTA “Togetherhood Project” Additional Information

ADDITIONAL INFORMATION FOR LOCAL UNIT PTA

Thank you for collaborating with Tom Mathis Sr. Council on this Community Partnership project with the Northwest YMCA! We thank you for your assistance on this, and we wish your students, “Good Luck!”

MARKETING:

- Talk to your principal about distribution via the school’s blackboard program, school email, etc.
- Distribute the main flyer and submission form: digitally, via Facebook, via your website.

COLLECTING SUBMISSION FORMS:

- Work with your schools to provide a box in your front office for these project submissions.
- No submissions allowed after the February 28th deadline.
- A TMC Officer will contact your President to make arrangements to pick up the submissions.

JUDGING:

- TMC will select the top 3 submissions from each school. Judging will be handled without the judges’ knowledge of student information, as all submissions will be given a number and will only be judged on idea/content in submission.
- Your local unit president will be notified of your school’s 3 winners at the TMC General Meeting #3.
- The YMCA will select three of the best ideas from the submissions from TMC.
- TMC and the YMCA will collaboratively select the top best idea.
- TMC will notify the winner.

PROJECT:

- Tom Mathis Sr. Council and the YMCA will work to secure volunteers, materials, partners, media, etc. for the completion of the selected idea; however, Council might ask your local unit and school to help out with resources and/or connections.
- Additionally, we will need to collaborate on a timeline for the project with your local unit, your Principal, and the student (as the student WILL be involved throughout the project!)
- Projects will start in Spring of 2019. The completion timeline will be set once we know the scope of the project.
