“Togetherhood Project” Contest
Submission Form

How Would You Improve Your School & Community?

In 100 words or less, please tell us about ONE idea that you have to make your school and community a better place. Use a separate form to neatly write or type your idea. Included why you feel this project would really benefit your school and community. Included additional information to help convince us that your idea is the best one. Once you have completed your submission, staple this form to the front and submit it to your school’s PTA. One student will be selected to have their project come to life. Think big!!
